

# Trauma Bags

You carry a lot on your shoulders, and you need to be prepared with the right equipment to address any situation. Ferno **Trauma Bags** provide multiple configurations and easy customization, helping you organize your trauma supplies the way you want to. Every bag is built for years of dependable use under all conditions and is backed by a limited lifetime warranty.

- **INVISTA™ Cordura® construction, YKK® zippers, and dual-density Plastazote® structural foam** ensure long life and dependable performance
- **Concealed non-slip shoulder straps** keep the bag on your shoulder
- **Reflective labels** provide nighttime visibility
- **Replaceable bottom** protects the bag and its contents from wet ground

Removable stiffeners and inserts allow custom configurations

## Trauma Bags

### Model 5107 Professional Trauma™ Bag

FERNO's Professional Trauma Bag features a low-profile back to keep the bag close to the medic's body for easier carrying. A tuck-away backpack harness system enables hands-free carrying.

WIDTH	LENGTH	HEIGHT
12 in   30.5 cm	22 in   55.9 cm	15 in   38.1 cm

- **External, easy-access top pocket** for storage of suction devices
- **Front pocket includes elastic loops and pouches** to keep supplies organized and in place
- Available in blue, red, or orange

### Model 5108 Professional ALS™ Bag

FERNO's Professional ALS Bag uses the Professional Trauma Bag as a base and adds four Mini-Bags for enhanced organization and quick access to all of your ALS supplies.

WIDTH	LENGTH	HEIGHT
12 in   30.5 cm	22 in   55.9 cm	15 in   38.1 cm
