

# Transfer Mattress 12 Handle Black

---

Designed to support safe and efficient transfers, the Transfer Mattress 12 Handles helps caregivers move individuals between beds, stretchers, transport trolleys, and other care surfaces with greater control.

Featuring twelve reinforced lifting handles, durable construction, and a low-friction design, it helps reduce physical strain on caregivers while improving handling efficiency during transfers.

Built for demanding healthcare and mortuary environments, the Transfer Mattress is lightweight, easy to clean, and engineered for reliable daily use.

## KEY FEATURES

- Supports safe patient handling and transfers
- 12 reinforced handles for improved control
- Low-friction design for smoother movement
- Lightweight and easy to maneuver
- Maximum patient capacity 551 lb (250 kg)

# Transfer Mattress 12 Handle Black

## PRODUCT / SKU

TRANSFER MATTRESS 12-HAND BLK FW  
0314207

## MATERIAL

OUTER MATERIAL: POLYESTER FIBER,
